

Required Federal Disclosures

This document is intended to provide information about Colleen O'Hara's Beauty Academy's programs, pursuant to the Code of Federal Regulation. Colleen O'Hara's Beauty Academy is institutionally accredited by the Accrediting National Accrediting Commission of Career Arts and Sciences (NACCAS) and approved to operate in California by the Bureau for Private Postsecondary Education (BPPE). For those programs that also carry Programmatic Accreditation or Approval, the appropriate agency is listed with that programs information below:

DEFINITIONS

- On-time Completion Rate (as defined in 34 CFR 668.6 (c)). This number is based on the students who graduated during the award year, and did so within "normal time". Normal time is based on the published length of the program in the catalog. This rate is not reflective of the overall completion rate of the program.
- Tuition and Fees includes the tuition and fees charged for the program during the award year ending on June 30, 2010; the total includes books and equipment. Current tuition and costs can be found in the Academic Catalog.
- Placement Rate is based on the calculation required by NACCAS accrediting body. NACCAS defines placement rates as the number of graduates who complete within 150% of the program length during the reporting period who were available for employment and found a job in their field of training, divided by the total number of graduates available for employment.
- Median Loan Debt is the median debt incurred through Title IV HEA loans and other private financing sources by students who complete the program.
